About the Roth Capital Partners 16th Annual Growth Stock Conference

This annual event is the largest in the nation for emerging growth companies. It provides a concentrated forum where Institutional Investors can meet the executives of growth companies hand-picked by Roth Capital's research team. The conference will highlight approximately 225 companies from industry groups including Health Care, Consumer Products, Technology and Financial Services. This year, as a result of numerous client requests, Roth has extended the conference to three working days, including a Discovery Day, which will highlight companies "undiscovered" by Wall Street.
