**PROXY STATEMENT**

---

**FOR ANNUAL STOCKHOLDERS MEETING TO BE HELD ON  
JULY 20, 2010, AT 9:00 A.M. (PACIFIC DAYLIGHT TIME)**

This proxy statement is delivered to you by Impac Mortgage Holdings, Inc., a Maryland corporation, in connection with the annual meeting of stockholders to be held on July 20, 2010 at 9:00 a.m. (Pacific Daylight Time) at 19500 Jamboree Road, Irvine, California 92612 (the "Meeting"). We are sending this proxy statement and the enclosed proxy to our stockholders commencing on or about May 19, 2010.

Impac Mortgage Holdings, Inc. (the "Company") consists of its subsidiaries, Integrated Real Estate Service Corporation ("IRES"), IMH Assets Corp. ("IMH Assets"), Impac Warehouse Lending Group, Inc. ("IWLG"), and Impac Funding Corporation ("IFC").

The purpose of the Meeting is to seek stockholder approval of three proposals: (1) electing a Board of Directors to serve for the ensuing year, (2) approving the 2010 Omnibus Incentive Plan, and (3) ratifying the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2010.

**Solicitation of Proxies**

Our Board of Directors is soliciting the enclosed proxy. We will bear the cost of this solicitation of proxies. Solicitations will be made by mail. We may solicit proxies personally or by telephone. We will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy materials to beneficial owners of our common stock.

**Annual Report**

Our annual report to stockholders for the year ended December 31, 2009 will be concurrently provided to each stockholder at the time we send this proxy statement and the enclosed proxy and is not to be considered a part of the proxy-soliciting material.

**Voting Requirements & Procedures**

Your vote is important. If you hold your shares as a record holder, your shares can be voted at the annual meeting only if you are present in person at the meeting or your shares are represented by proxy. Even if you plan to attend the Meeting, we urge you to vote by proxy in advance. You may authorize another person as proxy to vote your shares by using one of the following three methods: (1) you may vote by mail, by marking your proxy card, and then date, sign and return it in the postage-paid envelope provided; (2) you may direct your vote electronically by accessing the website located at [www.voteproxy.com](http://www.voteproxy.com) and following the on-screen instructions; or (3) you may vote by calling the toll-free number listed on your proxy card. Please have your proxy card in hand when going online or calling. **If you instruct the voting of your shares electronically or telephonically, you do not need to return your proxy card.**

If you hold your shares beneficially in street name through a nominee (such as a bank or stock broker), you may be able to vote by telephone or the Internet as well as by mail. You should follow the instructions you receive from your nominee to vote these shares. If you are a stockholder who owns shares through a broker and attends the Meeting intending to vote at the Meeting, you should bring a letter from your

broker identifying you as the beneficial owner of the shares and acknowledging that you will vote your shares.

### **Quorum; Voting Rights**

Holders of our common stock of record at the close of business on April 26, 2010 (the "Record Date") will be entitled to vote at the Meeting. There were 7,728,146 shares of common stock, \$0.01 par value per share, outstanding at that date. Each share of our common stock is entitled to one vote and the presence, in person or by proxy, of holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the Meeting.

### **Counting of Votes**

If a proxy in the accompanying form is duly executed and returned, the shares represented by the proxy will be voted as directed. All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Meeting in accordance with the directions given. If you sign and return your proxy card without giving specific voting instructions, your shares will be voted (1) FOR the nominees to our Board of Directors, (2) FOR the approval of the 2010 Omnibus Incentive Plan and (3) FOR the ratification of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2010. Representatives of our transfer agent will assist us in the tabulation of the votes.

### **Abstentions and Broker Non-Votes**

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. Brokers that hold shares of common stock in "street" name for customers that are the beneficial owners of those shares may generally vote on routine matters. However, brokers generally do not have discretionary voting power (i.e., they can not vote) on non-routine matters without specific instructions from their customers. Proposals are determined to be routine or non-routine matters based on the rules of the various regional and national exchanges of which the brokerage firm is a member. A broker "non-vote" occurs when a broker's customer does not provide the broker with voting instructions on a non-routine matter.

Abstentions and broker non-votes will be considered present and entitled to vote for the purpose of determining the presence of a quorum. Refer to each proposal for a discussion of the effect of abstentions and broker non-votes.

### **Revocability of Proxy**

Any proxy given may be revoked at any time prior to its exercise by notifying the Secretary of Impac Mortgage Holdings, Inc. in writing of such revocation, by duly executing and delivering another proxy bearing a later date (including an Internet or telephone vote), or by attending the Meeting and voting in person.

### **Interest of Executive Officers and Directors**

None of the Company's executive officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting, except, to the extent that the executive officers and directors are eligible to receive awards under the 2010 Omnibus Incentive Plan, and with respect to each director, to the extent that a director is named as a nominee for election to the Board of Directors.

## **Householding**

“Householding” is a program, approved by the Securities and Exchange Commission (the “SEC”), which allows companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports by delivering only one package of stockholder proxy materials to any household at which two or more stockholders reside. If you and other residents at your mailing address own shares of our common stock in street name, your broker or bank may have notified you that your household will receive only one copy of our proxy materials. Once you have received notice from your broker that they will be “householding” materials to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account. If you hold shares of our common stock in your own name as a holder of record, “householding” will not apply to your shares.

## **Postponement or Adjournment of Meeting**

If a quorum is not present or represented, our bylaws permit the stockholders entitled to vote at the Meeting, present in person or represented by proxy, to adjourn the Meeting from time to time to a date not more than 120 days after the original record date without notice other than the announcement at the Meeting.

# **PROPOSAL NO. 1**

## **ELECTION OF DIRECTORS**

Our directors are elected annually to serve until the next annual meeting of stockholders and thereafter until their successors are elected and qualify. Accordingly, a Board of six directors is to be elected at the Meeting, all of whom have been recommended for nomination by the members of the Corporate Governance and Nomination Committee of the Board. Our charter and bylaws currently provide for a variable number of directors with a range of between one and fifteen members. The size of our Board of Directors is set at six. No proxy may vote for more than six nominees for director.

Unless otherwise directed by stockholders within the limits set forth in the bylaws, the proxy holders will vote all shares represented by proxies held by them for the election of the maximum number of the following nominees, all of whom are now members of and constitute our Board of Directors. We have been advised that all of the nominees have indicated their availability and willingness to serve if elected. In the event that any nominee becomes unavailable or unable to serve as a director, prior to the voting, the proxy holders will refrain from voting for the unavailable nominee or will vote for a substitute nominee in the exercise of their best judgment.

## **Vote Required**

You may vote in favor of any or all of the nominees or you may also withhold your vote as to any or all of the nominees. In order to elect a nominee, the affirmative vote of a plurality of all of the votes cast at the Meeting is necessary for the election of the nominee for director assuming a quorum is present. “Plurality” means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be elected at the meeting. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of directors are to be voted on this proposal, such shares will be voted in favor of the nominees. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

In the past, if you held your shares in “street” name and you did not indicate how you wanted your shares to be voted in the election of directors, your broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate. Recent changes in regulations were made to take away the ability of your broker to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in “street” name and you do not instruct your broker how to vote in the election of directors, no votes will be cast on your behalf. It is therefore critical that you cast your vote if you want it to count in the election of directors.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” ALL NOMINEES.**

## **PROPOSAL NO. 2**

### **APPROVAL OF 2010 OMNIBUS INCENTIVE PLAN**

The Company currently maintains the 2001 Stock Option, Deferred Stock and Restricted Stock Plan, which will expire in March 2011 (the “2001 Stock Plan”). The 2001 Stock Plan provides for awards of incentive stock options and nonstatutory stock options and shares of Company stock as deferred stock or restricted stock. The Board of Directors believes that the 2001 Stock Plan has been effective in attracting and retaining qualified employees, directors and consultants to the Company, its subsidiaries and its affiliates and in providing long-term incentives and rewards to those individuals responsible for the Company’s growth and success. The Board further believes that the awards granted under the 2001 Stock Plan have provided an incentive that aligns the economic interests of plan participants with those of our stockholders.

In light of the expiration of the 2001 Stock Plan next year, the Board has adopted, subject to the approval of the Company’s stockholders, the 2010 Omnibus Incentive Plan (the “Incentive Plan”). In addition to providing a successor stock compensation plan for the 2001 Stock Plan, the Incentive Plan addresses the development of innovative compensation practices involving several alternative forms of equity-based incentives by permitting the grant of stock appreciation rights, restricted stock units, performance shares and other stock- and cash-based incentive awards. The Board believes the Incentive Plan provides the Company with a flexible and dynamic long-term incentive compensation structure and is in the best interests of the Company.

Stockholder approval of the Incentive Plan is desired, among other reasons, to ensure the tax deductibility by the Company of awards under the Incentive Plan for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and to meet the listing requirements of NYSE Amex.

Upon approval of the Incentive Plan by the Company’s stockholders, the Company’s 2001 Stock Plan will be frozen and no further grants or awards will be made under such plan. Further, all outstanding awards under the 2001 Stock Plan, as well as the Company’s 1995 Stock Option, Deferred Stock and Restricted Stock Plan (together with the 2001 Stock Plan, the “Prior Plans”), will be assumed by the Incentive Plan and thereafter will be deemed to be awards granted and outstanding under the Incentive Plan. If the Incentive Plan is not approved by the Company’s stockholders, the 2001 Stock Plan will remain in effect according to its terms and the Company may continue to make awards under the 2001 Stock Plan until its expiration. There are currently 434,684 shares reserved for future issuance under the 2001 Stock Plan.

The material features of the Incentive Plan are summarized below. The summary is qualified in its entirety by reference to the specific provisions of the Incentive Plan, the full text of which is set forth as *Appendix A* to this proxy statement.

## **Administration**

The Incentive Plan will be administered by the Compensation Committee of the Company's Board of Directors, with participation and approval of the Board of Directors. The Committee has the authority to determine within the limits of the express provisions of the Incentive Plan the individuals to whom awards will be granted, the nature, amount and terms of such awards and the objectives and conditions for earning such awards. The Committee generally has discretion to delegate its authority under the Incentive Plan to another committee of the Board or a subcommittee, or to such other party or parties, including officers of the Company, as the Committee deems appropriate. In addition, the Board of Directors may exercise any of the powers and authority of the Committee.

## **Types of Awards**

Awards under the Incentive Plan may include incentive stock options, nonqualified stock options, stock appreciation rights ("SARs"), restricted shares of common stock, restricted stock units, performance share or unit awards, other stock-based awards and cash-based incentive awards.

*Stock Options.* The Committee may grant to a participant options to purchase Company common stock that qualify as incentive stock options for purposes of Section 422 of the Code ("incentive stock options"), options that do not qualify as incentive stock options ("non-qualified stock options") or a combination thereof. The terms and conditions of stock option grants, including the quantity, price, vesting periods, and other conditions on exercise will be determined by the Committee.

The exercise price for stock options will be determined by the Committee in its discretion, but may not be less than 100% of the fair market value of one share of the Company's common stock on the date when the stock option is granted. Additionally, in the case of incentive stock options granted to a holder of more than 10% of the total combined voting power of all classes of stock of the Company on the date of grant, the exercise price may not be less than 110% of the fair market value of one share of common stock on the date the stock option is granted. On April 26, 2010, the market price per share of the Company's common stock was \$4.41 based on the closing price of the common stock on NYSE Amex on such date.

Stock options must be exercised within a period fixed by the Committee that may not exceed ten years from the date of grant, except that in the case of incentive stock options granted to a holder of more than 10% of the total combined voting power of all classes of stock of the Company on the date of grant, the exercise period may not exceed five years. The Incentive Plan provides for earlier termination of stock options upon the participant's termination of service, unless extended by the Committee, but in no event may the options be exercised after the scheduled expiration date of the options.

At the Committee's discretion, payment for shares of common stock on the exercise of stock options may be made in cash, shares of the Company's common stock held by the participant or in any other form of consideration acceptable to the Committee (including one or more forms of "cashless" or "net" exercise).

*Stock Appreciation Rights.* The Committee may grant to a participant an award of SARs, which entitles the participant to receive, upon its exercise, a payment equal to (i) the excess of the fair market value of a share of common stock on the exercise date over the SAR exercise price, times (ii) the number of shares of common stock with respect to which the SAR is exercised.

The exercise price for a SAR will be determined by the Committee in its discretion, but may not be less than 100% of the fair market value of one share of the Company's common stock on the date when the SAR is granted. Upon exercise of a SAR, payment may be made in cash, shares of the Company's

common stock held by the participant or in any other form of consideration acceptable to the Committee (including one or more forms of “cashless” exercise). SARs must be exercised within a period fixed by the Committee that may not exceed ten years from the date of grant.

*Restricted Shares and Restricted Units.* The Committee may award to a participant shares of common stock subject to specified restrictions (“restricted shares”). Restricted shares are subject to forfeiture if the participant does not meet certain conditions such as continued employment over a specified forfeiture period and/or the attainment of specified performance targets over the forfeiture period.

The Committee also may award to a participant units representing the right to receive shares of common stock in the future subject to the achievement of one or more goals relating to the completion of service by the participant and/or the achievement of performance or other objectives (“restricted units”). The terms and conditions of restricted share and restricted unit awards are determined by the Committee.

For participants who are subject to Section 162(m) of the Code, the performance targets described in the preceding two paragraphs may be established by the Committee, in its discretion, based on one or more of the following measures (the “Performance Goals”):

- operating income
- operating profit (earnings from continuing operations before interest and taxes)
- earnings per share
- return on investment or working capital
- return on stockholders’ equity
- economic value added (the amount, if any, by which net operating profit after tax exceeds a reference cost of capital)
- Adjusted Net Earnings (as defined below)
- Net earnings (loss) attributable to common stockholders
- stock price

“Adjusted Net Earnings” means net earnings (loss) attributable to common stockholders as reported in the Company’s periodic reports filed with the Securities and Exchange Commission, provided that such amount shall be adjusted by reversing the following, to the extent such adjustments were made in calculating such net earnings (loss) attributable to common stockholders:

- (a) any accrual already made with respect to the annual bonus, special bonus, or incentive bonus applicable to such person;
- (b) any adjustment relating to change in fair value of net trust assets;
- (c) any adjustment relating to change in fair value of long-term debt;
- (d) any adjustment relating to noncash level yield long term debt;
- (e) any charge relating to amortization of deferred charges; and
- (f) any adjustment relating to the following items within earnings of discontinued operations:
  - (1) lower of cost or market and
  - (2) repurchase liability provision.

The Performance Goals may be measured with respect to the Company or any one or more of its subsidiaries, divisions, units or affiliates, either in absolute terms or as compared to another company or

companies, or an index established or designated by the Committee. The above terms will have the same meaning as in the Company's financial statements, or if the terms are not used in the Company's financial statements, as applied pursuant to generally accepted accounting principles, or as used in the industry, as applicable.

*Performance Awards.* The Committee may grant performance awards to participants under such terms and conditions as the Committee deems appropriate. A performance award entitles a participant to receive a payment from the Company, the amount of which is based upon the attainment of predetermined performance targets over a specified award period. Performance awards may be paid in cash, shares of common stock or a combination thereof, as determined by the Committee.

Award periods will be established at the discretion of the Committee. The performance targets will also be determined by the Committee. With respect to participants subject to Section 162(m) of the Code, the applicable performance targets will be established, in the Committee's discretion, based on one or more of the Performance Goals described under the section titled "*Restricted Shares and Restricted Units.*" To the extent that a participant is not subject to Section 162(m) of the Code, when circumstances occur that cause predetermined performance targets to be an inappropriate measure of achievement, the Committee, at its discretion, may adjust the performance targets or the amount or value of the performance award.

*Other Stock-Based Awards.* The Committee may grant equity-based or equity-related awards, referred to as "other stock-based awards," other than options, SARs, restricted shares, restricted units, or performance awards. The terms and conditions of each other stock-based award will be determined by the Committee. Payment under any other stock-based awards will be made in common stock or cash, as determined by the Committee.

*Cash-Based Incentive Awards.* The Committee may grant cash-based incentive compensation awards, which would include performance-based annual cash incentive compensation to be paid to covered employees subject to Section 162(m) of the Code. The terms and conditions of each cash-based award will be determined by the Committee. The following material terms will be applicable to performance-based cash awards granted to covered executives subject to Section 162(m):

- The class of persons covered consists of those senior executives of the Company who are from time to time determined by the Committee to be subject to Section 162(m) of the Code (the "covered employees").
- The targets for annual incentive payments to covered employees will consist only of one or more of the Performance Goals discussed under the section titled "*Restricted Shares and Restricted Units*" above. Use of any other target will require ratification by the stockholders if failure to obtain such approval would jeopardize tax deductibility of future incentive payments. Such performance targets will be established by the Committee on a timely basis to ensure that the targets are considered "pre-established" for purposes of Section 162(m) of the Code.
- In administering the incentive program and determining incentive awards, the Committee will not have the flexibility to pay a covered employee more than the incentive amount indicated by his or her attainment of the performance target under the applicable payment schedule. The Committee will have the flexibility, based on its business judgment, to reduce this amount.
- The cash incentive compensation feature of the Incentive Plan does not preclude the Board or the Committee from approving other incentive compensation arrangements for covered employees.

*Dividend Equivalents.* The Committee may provide for the payment of dividends or dividend equivalents with respect to any shares of common stock subject to an award under the Incentive Plan.

### **Eligibility and Limitation on Awards**

The Committee may grant awards to any employee, director, consultant or other person providing services to the Company or its affiliates. It is presently contemplated that approximately 341 persons will be eligible to receive awards.

The maximum awards that can be granted under the Incentive Plan to a single participant in any calendar year will be 450,000 shares of common stock, whether in the form of options, SARs, restricted shares, restricted units, performance unit or share awards and other stock-based awards, and \$5,000,000 in the form of cash-based incentive awards. These amount limitations are solely for purposes of Section 162(m) of the Code as further discussed below under “Federal Income Tax Consequences” and are not indicative of the award amounts that would be granted to any participant.

### **Awards Granted under the Incentive Plan**

As of the date hereof, no specific awards have been granted or are contemplated under the Incentive Plan. In addition, the exact types and amounts of any future awards to be made to any eligible participants pursuant to the Incentive Plan are not presently determinable. As a result of the discretionary nature of the Incentive Plan, it is not possible to state who the participants in the Incentive Plan will be in the future or the number of options or other awards to be received by a person or group. However, upon effectiveness of the Incentive Plan, all outstanding awards under the Company’s 2001 Stock Plan as well as the 1995 Stock Option, Deferred Stock and Restricted Stock Plan will be assumed by the Incentive Plan and thereafter will be deemed to be awards granted and outstanding under the Incentive Plan (see description of the number of assumed option awards under “Shares Subject to the Incentive Plan” below).

### **Shares Subject to the Incentive Plan**

An aggregate of 1,730,985 shares of the Company’s common stock is reserved initially for issuance and available for awards under the Incentive Plan. This amount consists of (i) 1,280,985 shares of common stock underlying outstanding options under the Prior Plans as of April 26, 2010 that will be assumed by the Incentive Plan upon its effectiveness (the “Assumed Options”), and (ii) an additional 450,000 shares that are reserved for new grants under the Incentive Plan. Of the 1,280,985 shares underlying outstanding options that will be assumed by the Incentive Plan, 458,985 of those options have exercise prices ranging from \$12.00 to \$217.70 which means that they are currently “underwater” based on the closing price \$4.41 of the Company’s common stock on NYSE Amex on April 26, 2010. To the extent any of the Assumed Options are forfeited or canceled, shares of common stock underlying those options will not be available for new grants under the Incentive Plan. Of the 450,000 shares that are reserved for future issuance under the Incentive Plan, 434,684 of those shares represent the amount that remains authorized and available for awards under the 2001 Stock Plan, which will be frozen if the Incentive Plan is approved. Shares of common stock awarded as restricted shares, restricted units, performance awards or other-stock-based awards shall be charged as two shares against the number of shares of common stock available for the grant of awards under the Incentive Plan.

With respect to awards made under the Incentive Plan (excluding Assumed Options), shares of common stock underlying awards that are forfeited or canceled (as a result, for example, of the lapse of an option or a forfeiture of restricted stock) will be available for additional grants under the Incentive Plan. Shares to be issued or purchased under the Incentive Plan will be authorized but unissued shares of common

stock. Shares issued with respect to awards assumed by the Company in connection with acquisitions do not count against the total number of shares available for new awards under the Incentive Plan.

### **Anti-Dilution Protection**

In the event of any corporate event or transaction that results in a change in the capital structure of the Company, including a change resulting from a stock dividend or stock split, or combination or reclassification of shares, the Committee is empowered to make such equitable adjustments with respect to awards or any provisions of the Incentive Plan as it deems necessary and appropriate, including, if necessary, any adjustments in the maximum number of shares of common stock subject to the Incentive Plan, the number of shares of common stock subject to and the exercise price of an outstanding award, or the maximum number of shares that may be subject to one or more awards granted to any one recipient during a calendar year.

### **Amendment and Termination**

The Board of Directors may at any time amend or terminate the Incentive Plan, provided that no such action may be taken that adversely affects any rights or obligations with respect to any awards theretofore made under the Incentive Plan without the consent of the recipient. No awards may be made under the Incentive Plan after the tenth anniversary of its effective date. Certain provisions of the Incentive Plan relating to performance-based awards under Section 162(m) of the Code will expire on the fifth anniversary of the effective date.

### **Federal Income Tax Consequences**

The federal income tax consequences of the issuance and exercise of awards under the Incentive Plan are as described below. The following information is only a summary of the tax consequences of the awards, and participants should consult with their own tax advisors with respect to the tax consequences inherent in the ownership or exercise of the awards, and the ownership and disposition of any underlying securities.

*Incentive Stock Options.* A participant who is granted an incentive stock option will not recognize any taxable income for federal income tax purposes either on the grant or exercise of the incentive stock option. If the participant disposes of the shares purchased pursuant to the incentive stock option more than two years after the date of grant and more than one year after the exercise of the option (the required statutory “holding period”), (a) the participant will recognize long-term capital gain or loss, as the case may be, equal to the difference between the selling price and the option price; and (b) the Company will not be entitled to a deduction with respect to the shares of stock so issued. If the holding period requirements are not met, any gain realized upon disposition will be taxed as ordinary income to the extent of the excess of the lesser of (i) the excess of the fair market value of the shares at the time of exercise over the option price, and (ii) the gain on the sale. Also in that case, the Company will be entitled to a deduction in the year of disposition in an amount equal to the ordinary income recognized by the participant. Any additional gain will be taxed as short-term or long-term capital gain depending upon the holding period for the stock. A sale for less than the option price results in a capital loss.

The excess of the fair market value of the shares on the date of exercise over the option price is, however, includable in the option holder’s income for alternative minimum tax purposes.

*Nonqualified Stock Options.* A participant who is granted a nonqualified stock option under the Incentive Plan will not recognize any income for federal income tax purposes on the grant of the option. Generally, on the exercise of the option, the participant will recognize taxable ordinary income equal to the excess of the fair market value of the shares on the exercise date over the option price for the shares.

The Company generally will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the participant. Upon disposition of the shares purchased pursuant to the stock option, the participant will recognize long-term or short-term capital gain or loss, as the case may be, equal to the difference between the amount realized on such disposition and the basis for such shares, which basis includes the amount previously recognized by the participant as ordinary income.

*Stock Appreciation Rights.* A participant who is granted stock appreciation rights will normally not recognize any taxable income on the receipt of the SARs. Upon the exercise of a SAR, (a) the participant will recognize ordinary income equal to the amount received (the increase in the fair market value of one share of the Company's common stock from the date of grant of the SAR to the date of exercise); and (b) the Company will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the participant.

*Restricted Shares.* A participant will not be taxed at the date of an award of restricted shares but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse, unless the participant within 30 days after transfer of such restricted shares to the participant elects under Section 83(b) of the Code to include in income the fair market value of the restricted shares as of the date of such transfer. The Company will be entitled to a corresponding deduction. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer). To the extent dividends are payable during the restricted period under the applicable award agreement, any such dividends will be taxable to the participant at ordinary income tax rates and will be deductible by the Company unless the participant has elected to be taxed on the fair market value of the restricted shares upon transfer, in which case they will thereafter be taxable to the employee as dividends and will not be deductible by the Company.

*Restricted Units.* A participant will normally not recognize taxable income upon an award of restricted units, and the Company will not be entitled to a deduction until the lapse of the applicable restrictions. Upon the lapse of the restrictions and the issuance of the earned shares, the participant will recognize ordinary taxable income in an amount equal to the fair market value of the common stock received and the Company will be entitled to a deduction in the same amount.

*Performance Awards, Other Stock-Based Awards and Cash-Based Awards.* Normally, a participant will not recognize taxable income upon the grant of performance awards, other stock-based awards and cash-based awards. Subsequently, when the conditions and requirements for the grants have been satisfied and the payment determined, any cash received and the fair market value of any common stock received will constitute ordinary income to the participant. The Company also will then be entitled to a deduction in the same amount.

*Tax Deductibility of Certain Performance-Based Awards Under the Incentive Plan.* Section 162(m) of the Code limits the deductibility for federal income tax purposes of certain compensation paid to any "covered employee" in excess of \$1 million. For purposes of Section 162(m), the term "covered employee" includes the Company's chief executive officer and the three other most highly compensated executive officers who are required to be disclosed in the Company's proxy statement as a "named executive officer" based on the amount of their total compensation. Certain compensation, including compensation paid based on the achievement of pre-established performance goals, is excluded from this deduction limit if the material terms under which the compensation is to be paid, including the performance goals to be used, are approved by our stockholders. Accordingly, in order to maintain the Company's ability to fully deduct certain incentive compensation paid pursuant to the Incentive Plan, approval of the Incentive Plan will qualify as approval of the material terms, including the Performance

Goals discussed in the section titled “*Restricted Shares and Restricted Units*” above, under which qualifying performance-based compensation is to be paid.

#### **Effective Date**

The Incentive Plan will be effective on July 20, 2010, if approved by the stockholders of the Company. If not approved by the stockholders, no awards will be made under the Incentive Plan. If and when the Incentive Plan becomes effective, the Current Plan will be frozen and no further grants of equity or equity-based awards will be made under that plan.

#### **Vote Required**

You may vote in favor or against this proposal or you may abstain from voting. Approval of the Incentive Plan will require the affirmative vote of at least a majority of votes cast of the stockholders present in person or by proxy the Annual Meeting of Stockholders, assuming the presence of a quorum. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of Directors are to be voted on this proposal, such shares will be voted in favor of the approval of the Incentive Plan. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If the stockholders do not approve the Incentive Plan, it will not be implemented, but the Company reserves the right to adopt such other compensation plans and programs as it deems appropriate and in the best interests of the Company and its stockholders.

### **PROPOSAL NO. 3 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

#### **Changes in Certifying Accountant**

We engaged Squar, Milner, Peterson, Miranda & Williamson, LLP (“Squar Milner”) as our independent registered public accounting firm on November 17, 2008 upon our dismissal of our previous independent registered public accounting firm, Ernst & Young LLP (“Ernst & Young”). The decision to dismiss Ernst & Young and engage Squar Milner was approved by the Company’s Audit Committee.

The reports of Ernst & Young on the financial statements of the Company for the years ended December 31, 2007 and 2006 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the period from January 1, 2006 through the date of Ernst & Young's dismissal, there have been no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Ernst & Young would have caused it to make reference to the subject matter of such disagreements in their reports on the financial statements for such years. Further, there have been no reportable events (as described in Item 304(a)(1)(v) of Regulation S-K), except for the following: (a) as previously disclosed by the Company in its Annual Report on Form 10-K for the year ended December 31, 2007, Ernst & Young reported that the Company did not maintain effective internal control over financial reporting as of December 31, 2007 because of the effect of a material weakness in controls related to the Company's financial statement close process that existed as of December 31, 2007; and (b) as previously disclosed by the Company in its Annual Report on Form 10-K for the year ended December 31, 2006, Ernst & Young reported that the Company did not maintain effective internal control over financial reporting as of December 31, 2006 because of the effect of a material weakness in controls over the preparation, review, presentation and disclosure of amounts included in the Consolidated Statements of Cash Flows. The Company subsequently remediated these material weaknesses.

Neither the Company nor anyone acting on its behalf consulted with Squar Milner during the period from January 1, 2006 through the date of Ernst & Young's dismissal regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

#### **Reappointment of Squar Milner as Certifying Accountant**

The Audit Committee has recommended the reappointment of Squar Milner as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010. Squar Milner became our auditors in 2008. The Company anticipates, and has experienced, costs savings in connection with its engagement of Squar Milner compared to previous auditor engagements. The stockholders are being requested to ratify the reappointment of Squar Milner at the Annual Meeting. If the selection is not ratified, it is contemplated that the appointment of Squar Milner for 2010 may be permitted to stand in view of the difficulty and the expense involved in changing independent auditors on short notice, unless the Audit Committee finds other compelling reasons for making a change. Even if the selection is ratified, the audit committee and the Board of Directors may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders. The Company anticipates that a representative of Squar Milner will attend the Annual Meeting. The representative will have an opportunity to make a statement and to respond to appropriate stockholder questions.

#### **Principal Accountant Fees and Services**

The following table sets forth the aggregate fees billed to us by Squar Milner for the years ended December 31, 2009 and 2008. Audit-related fees include fees for an examination under section 1122 of Regulation AB for loan servicing as well as a separate examination of certain requirements of our master

servicing policies and procedures. All other fees include fees for consultation relating to our internal control over financial reporting.

	<b>For the Year Ended December 31,</b>	
	<b>2009</b>	<b>2008</b>
Audit fees	\$670,955	\$469,800
Audit-related fees	64,800	64,800
Tax fees	—	—
All other fees	—	20,000
<b>Total</b>	<b>\$735,755</b>	<b>\$554,600</b>

### **Pre-Approval Policies and Procedures for Audit and Non-Audit Services**

The Audit Committee pre-approves all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed by our independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members of the Audit Committee when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting. In pre-approving the services in 2009 and 2008 under audit related fees, tax fees or all other fees, the Audit Committee did not rely on the de minimis exception to the SEC pre-approval requirements.

### **Vote Required**

You may vote in favor or against this proposal or you may abstain from voting. The affirmative vote of a majority of all votes cast at the Meeting at which a quorum is present is required to ratify the appointment of Squar Milner as the Company's independent registered public accounting firm. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of Directors are to be voted on this proposal, such shares will be voted in favor of the appointment of Squar Milner as the Company's independent registered public accounting firm.

Abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. Brokers and other nominees that do not receive instructions are generally entitled to vote on the ratification of the appointment of our independent registered public accounting firm. Should a broker non-vote occur, it will not be counted as votes cast and will have no effect on the result of the vote.

### Family Relationships

There are no family relationships between any of the directors or executive officers of IMH.

## **Corporate Governance and Board Matters**

### *Vacancies*

All directors are elected at each annual meeting of stockholders for a term of one year and hold office until their successors are elected and qualify. Any vacancy on the Board of Directors for any cause, other than an increase in the number of directors, may be filled by a majority vote of the remaining directors, unless such majority is less than a quorum. Replacements for vacancies occurring among the unaffiliated directors will be elected by a majority vote of the remaining directors, including a majority of the unaffiliated directors. Any vacancy in the number of directors created by an increase in the number of directors may be filled by a majority vote of the entire Board of Directors.

### *Board Member Independence*

We are listed on the NYSE Amex and accordingly, we have applied the listing standards of the NYSE Amex in determining the “independence” of the members of our Board of Directors. Based on the listing standards of the NYSE Amex and after reviewing the relationships with members of our Board, our Board of Directors has determined, with the assistance of the Corporate Governance and Nomination Committee that, with the exception of Mr. Tomkinson, our CEO, and Mr. Ashmore, our President, the members of the Board of Directors qualify as independent. The Governance and Nomination Committee reviews with the Board at least annually the qualifications of new and existing Board members, considering the level of independence of individual members, together with such other factors as the Board may deem appropriate, including overall skills and experience. The Governance and Nomination Committee also evaluates the composition of the Board as a whole and each of its committees to ensure the Company’s on-going compliance with the independence standards of the NYSE Amex.

In reviewing the independence of its Board members, the Board of Directors reviewed relationships with Messrs. Filippis and Peers. From April 2005 to July 2008, Mr. Filippis was Chairman and Chief Executive Officer of Clayton Holdings, Inc., a mortgage services company. A subsidiary of Clayton provided loan due diligence services to IFC by analyzing a pool of loans that the Company was considering purchasing, and verified that the loans met the Company’s internal mortgage underwriting standards. Clayton’s subsidiary also confirmed that the information contained in the loan files was accurate and complete. Neither Clayton nor its subsidiary provided compliance or other consulting services for the Company. The Company engaged Clayton’s subsidiaries prior to the commencement of Mr. Filippis’ employment with Clayton and did not pay Mr. Filippis directly for any of these services. The Company did not pay any fees to Clayton in 2008 or 2007. Mr. Filippis was not paid a bonus and did not receive any other compensation from Clayton or its subsidiary as a result of the Company’s dealings with Clayton or its subsidiaries. Mr. Filippis was not involved with the day-to-day business dealings between the Company and Clayton, and there did not appear to be any direct benefit to Mr. Filippis arising from this relationship.

The Board of Directors also reviewed and analyzed Mr. Peers’ status as an independent director. In the fourth quarter of 2008 and during 2009, Mr. Peers was appointed to a special committee of the Board of Directors, which committee has focused on strategic goals of the Company, and has required a large amount of time from Mr. Peers. The Board of Directors, however, believes that Mr. Peers’ service on the special committee has not jeopardized his status as an independent director as he is continuing to serve in the capacity as a director. Based on the above facts and circumstances, the Board of Directors has determined that Mr. Filippis and Mr. Peers continue to qualify as independent directors applying the standards of the NYSE Amex.

None of the other non-employee directors currently have any material relationship with the Company, its parents or its subsidiaries (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company, its parents or its subsidiaries).

#### *Attendance at Board and Committee Meetings*

Our Board of Directors met twelve times during 2009. Each director attended at least 75% of the aggregate of the total number of meetings held by the Board of Directors and a majority of the total number of meetings held by those committees of the Board of Directors on which such director served.

We encourage all directors to attend the annual meeting of stockholders. In 2009, all of our directors attended the annual meeting of stockholders.

#### *Committees and Corporate Governance*

The current standing committees of our Board of Directors are the Audit Committee, the Compensation Committee, and the Corporate Governance and Nomination Committee. Each of these committees has a written charter approved by our Board of Directors. The members of the committees and a description of the principal responsibilities of each committee are described below.

Our Board of Directors has adopted Corporate Governance Guidelines. The Corporate Governance Guidelines include items such as criteria for director qualifications, director responsibilities, committees of the Board, director access to officers and employees, director compensation, orientation and continuing education, evaluation of the CEO, annual performance evaluation and management succession. The Board of Directors has chosen not to impose term limits with regard to service on the Board in the belief that continuity of service and the past contributions of the Board members who have developed an in-depth understanding of the Company and its business over time bring a seasoned approach to IMH's governance. Each director is to act on a good faith basis and informed business judgment in a manner such director reasonably believes to be in the best interest of the Company.

A copy of each committee charter and our Corporate Governance Guidelines can be found on our website at [www.impaccompanies.com](http://www.impaccompanies.com) by clicking "Stockholder Relations" and then "Corporate Governance," and is available in print upon request to the Secretary of Impac Mortgage Holdings, Inc., 19500 Jamboree Road, Irvine, California 92612.

#### *The Audit Committee*

The Audit Committee of the Board of Directors consists of four directors, all of whom are independent pursuant to the Director Independence Standards of the NYSE Amex and other SEC rules and regulations applicable to audit committees. The following directors are currently members of the Audit Committee: Frank P. Filippis, who serves as the chairman, Leigh J. Abrams, Stephan R. Peers and James Walsh. The Board of Directors has determined that Frank P. Filippis qualifies as an audit committee financial expert, as such term is defined by Item 407(d)(5)(ii) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During 2009, the Audit Committee met eleven times.

The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibility relating to: (i) the integrity of the Company's financial statements and financial reporting process and its system of internal accounting and financial controls, (ii) the performance of the internal audit function, (iii) the performance of the independent auditors, which would include an evaluation of the independent auditor's qualifications and independence, (iv) the Company's compliance with legal and regulatory

requirements, including disclosure controls and procedures, and (v) the preparation of an Audit Committee report to be included in the Company's annual proxy statement.

#### *The Compensation Committee*

The Compensation Committee is responsible for (1) recommending to our Board of Directors the cash and non-cash compensation of our executive officers as defined in the rules promulgated under Section 16 of the Exchange Act, (2) evaluating the performance of our executive officers, (3) recommending to our Board of Directors the cash and non-cash compensation policies for our non-employee directors, (4) making recommendations to our Board of Directors with respect to incentive compensation and equity-based plans that are subject to Board approval, (5) recommending to the Board of Directors on whether the compensation discussion and analysis should be included in the proxy or Form 10-K, and (6) assisting our Board of Directors in evaluating potential candidates for executive officer positions with the Company. The Compensation Committee met five times during 2009. During 2009, the Compensation Committee consisted of James Walsh (Chairman), Leigh J. Abrams and Stephan R. Peers.

#### *The Corporate Governance and Nomination Committee*

The Corporate Governance and Nomination Committee assists the Board of Directors in (1) identifying qualified individuals to become members of the Board of Directors, (2) determining the composition of the Board of Directors and its committees, (3) selecting the director nominees for the next annual meeting of stockholders, (4) monitoring a process to assess board, committee and management effectiveness, (5) aiding and monitoring management succession planning and (6) developing, implementing and monitoring policies and processes related to our corporate governance. During 2009, the Corporate Governance and Nomination Committee consisted of Stephan R. Peers (Chairman) and James Walsh. The committee met two times during 2009.

#### *Board Leadership Structure and Role in Risk Oversight*

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board of Directors believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having the Company's Chief Executive Officer serve as Chairman is in the best interest of the Company's stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between the Company's management and the Board.

Leigh J. Abrams serves as the Company's Lead Independent Director. The Lead Independent Director advises the Chairman of the Board or otherwise undertakes the following:

- (a) assesses the quality, quantity and timeliness of the flow of information from management as necessary for the independent directors to perform their duties effectively and responsibly, including requesting that certain material be included in materials prepared for the Board by management; and
- (b) moderates executive sessions of the Board's independent directors and acts as a liaison between the independent directors and the Chairman of the Board and/or Chief Executive Officer on appropriate issues.

The Company faces a variety of operational and market risks, including interest rate risk, credit risk, liquidity risk and prepayment risk. The Board of Directors believes an effective risk management system

will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or Audit Committee, (3) implement appropriate and responsive risk management strategies consistent with Company's risk profile, and (4) integrate risk management into Company decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management. The Audit Committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee also reviews the significant reports to management, including assessment of the Company's risk management processes and systems of internal controls, prepared by the internal auditing department and management's responses.

The Board of Directors encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board of Directors also continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

#### *The Director Nomination Process.*

The Governance and Nomination Committee considers nominees from all sources, including stockholders. The Committee has the authority to lead the search for individuals qualified to become members of the Company's Board of Directors and to select or recommend to the Board of Directors director nominees to be presented for stockholder approval. The committee may use its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm.

The board of directors will consist of a majority of directors who (i) qualify as "independent" directors within the meaning of the listing standards of the NYSE Amex, as the same may be amended from time to time; (ii) meet the applicable requirements to be "unaffiliated" as defined in the Company's Bylaws, as may be amended from time to time; and (iii) are affirmatively determined by the Board to have no material relationship with the Company, its parents or its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, its parents or its subsidiaries). The committee will select individuals who have high personal and professional integrity, have demonstrated ability and sound judgment, and are effective, in conjunction with other director nominees, in collectively serving the long-term interests of our stockholders, together with such other factors as the board may deem appropriate, including overall skills and experience.

Although the Company does not have a policy regarding diversity, the value of diversity on the Board of Directors is considered and the particular or unique needs of the Company shall be taken into account at the time a nominee is being considered. The Corporate Governance and Nomination Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (industry, professional, public service) of directors and prospective nominees to the Board. The Governance and Nomination Committee will recommend to the Board nominees as appropriate based on these principles.

*Director Nominees by Stockholders.* Director nominees provided by stockholders to the Corporate Governance and Nomination Committee are evaluated by the same criteria used to evaluate potential nominees from other sources. When making a recommendation for a Board nominee to be evaluated by the Committee, stockholders should include all information about the candidate that is required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Exchange Act. The written recommendation should be sent to the Secretary of the Company accompanied by the candidate's written consent to be named in a proxy statement as a nominee, if

recommended by the Committee and nominated by the Board, and to serve as a director if appointed or elected. Additional information about the candidate may be requested by the Committee from time to time, either from the recommended person or from the recommending shareholder.

*Submission for Consideration at Annual Meeting.* The Company's bylaws provide that stockholders may nominate directors for consideration at an annual meeting provided they comply with the notice procedures set forth in the bylaws, which are further described in this proxy statement under "Stockholder Proposals—Proposals to be Submitted for Annual Meeting" and "Mailing Instructions." The stockholder nominating a director must be a stockholder of record at the time of giving the notice and is entitled to vote at the meeting. If the number of directors to be elected to the Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by us at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's nomination will be deemed timely, but only with respect to nominees for any new positions created by such increase, if it is delivered to our Secretary not later than the close of business on the 10<sup>th</sup> day following the day on which public announcement is first made by us. Any notice shall include the information regarding the stockholder making the nomination and the nominee as required by the Company's bylaws. Nominations made by stockholders in this manner are eligible to be presented by the stockholder at the meeting, but such nominees will not have been considered by the Nominating Committee as a nominee to be potentially supported by the Company.

#### *Code of Business Conduct and Ethics.*

We have adopted a Code of Business Conduct and Ethics. This code of ethics applies to our directors, executive officers and employees. This code of ethics is publicly available in the corporate governance section of the stockholder relations page of our website located at [www.impaccompanies.com](http://www.impaccompanies.com) and in print upon request to the Secretary at Impac Mortgage Holdings, Inc., 19500 Jamboree Road, Irvine, California, 92612. If we make amendments to the code of ethics or grant any waiver that the SEC requires us to disclose, we will disclose the nature of such amendment or waiver on our website.

#### *Stockholder Communication with Our Board of Directors.*

Stockholders who wish to contact any of our directors either individually or as a group may do so by writing them c/o Ronald M. Morrison, Secretary, Impac Mortgage Holdings, Inc., 19500 Jamboree Road, Irvine, California 92612, by telephone at (949) 475-3942 or by email to [rmorrison@impaccompanies.com](mailto:rmorrison@impaccompanies.com) specifying whether the communication is directed to the entire board or to a particular director. Stockholder letters are screened, which includes filtering out improper or irrelevant topics such as solicitations, by Company personnel, based on criteria established and maintained by our Corporate Governance and Nomination Committee.

#### *Compensation of Board Members*

The compensation of the Company's non-employee directors is described below.

*Board Fees.* The Company's non-employee directors are paid the following fees: (i) an annual fee of \$40,000; (ii) a meeting fee of \$2,500; (iii) for services on the Audit Committee, the Compensation Committee and the Corporate Governance Committee, fees of \$2,500, \$1,000 and \$1,000, respectively, per meeting; (iv) an annual fee payable to the chairperson of each of the Audit Committee, the Compensation Committee and the Corporate Governance Committee of \$20,000, \$5,000 and \$5,000, respectively; and (v) an annual fee payable to the lead independent director of \$10,000.

*Equity Awards.* Non-employee directors typically receive an annual equity award of options to purchase 4,000 shares of the Company’s common stock (the “Director Stock Options”), or instead, at the election of the individual director, a number of shares of restricted Company common stock equal in value to the number of Director Stock Options (based on the binomial value of the Director Stock Options) not taken by such director. ## **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of our Board of Directors is responsible for providing independent, objective oversight of our accounting functions and internal control over financial reporting. The Audit Committee is currently comprised of four directors. The Audit Committee operates under a written audit committee charter, which was amended and restated and approved by the Board of Directors on January 26, 2009.

Management is responsible for our internal control over financial reporting and financial reporting process. Squar, Milner, Peterson, Miranda & Williamson, LLP, or Squar Milner, the independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements, as well as the effectiveness of our internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue separate reports thereon. The Audit Committee's responsibility is to monitor and oversee these management processes and related independent audits.

In connection with these responsibilities, the Audit Committee met with management and Squar Milner to review and discuss the December 31, 2009 financial statements. The Audit Committee also discussed with Squar Milner the matters required by Statement on Auditing Standards ("SAS") No. 61 (Communication with Audit Committees) as may be modified or supplemented.

In addition, the Audit Committee also received written disclosures and the letter from Squar Milner required by Public Company Accounting Oversight Board Ethics and Independence Rule 3526, which superseded Independence Standards Board ("ISB") Standard No. 1 (Independence Discussions with Audit Committees) and ISB Interpretations 00-1 and 00-2, which requires the written disclosure of all relationships between us and our independent registered public accounting firm that, in the independent registered public accounting firm's professional judgment, may reasonably be thought to bear on independence and confirmation that, in its professional judgment, it is independent of the Company that it is auditing.

The Audit Committee has also reviewed the non-audit fees described below and has concluded that the amount and nature of those fees is compatible with maintaining Squar Milner's independence.

Based on the Audit Committee's discussions with management, review of Squar Milner's letter and discussions with Squar Milner, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2009, for filing with the SEC.

Whether entering military or other government service shall constitute Termination of Service, or whether and when a Termination of Service shall occur as a result of disability, shall be determined in each case by the Committee in its sole discretion.

**ARTICLE III**  
**ADMINISTRATION**

3.01 Committee.

(a) Duties and Authority. The Plan shall be administered by the Committee and the Committee shall have exclusive and final authority in each determination, interpretation or other action affecting the Plan and its Participants. The Committee shall have the sole discretionary authority to interpret the Plan, to establish and modify administrative rules for the Plan, to impose such conditions and restrictions on Awards as it determines appropriate, and to make all factual determinations with respect to and take such steps in connection with the Plan and Awards granted hereunder as it may deem necessary or advisable. The Committee shall not, however, have or exercise any discretion that would disqualify amounts payable under Article X as performance-based compensation for purposes of Section 162(m) of the Code. The Committee may delegate such of its powers and authority under the Plan as it deems appropriate to a subcommittee of the Committee or designated officers or employees of the Company. In addition, the full Board may exercise any of the powers and authority of the Committee under the Plan. In the event of such delegation of authority or exercise of authority by the Board, references in the Plan to the Committee shall be deemed to refer, as appropriate, to the delegate of the Committee or the Board. To the extent applicable, actions taken by the Committee or any subcommittee thereof, and any delegation by the Committee to designated officers or employees, under this Section 3.01 shall comply with Section 16(b) of the Exchange Act, the performance-based provisions of Section 162(m) of the Code, and the regulations promulgated under each of such statutory provisions, or the respective successors to such statutory provisions or regulations, as in effect from time to time.

(b) Indemnification. Each person who is or shall have been a member of the Board or the Committee, or an officer or employee of the Company to whom authority was delegated in accordance with the Plan, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such individual in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf; provided, however, that the foregoing indemnification shall not apply to any loss, cost, liability, or expense that is a result of his or her own willful misconduct.

**ARTICLE IV**  
**SHARES**

4.01 Number of Shares Issuable. The total number of shares of Common Stock authorized to be issued under the Plan shall be 1,730,985 which consists of (i) 1,280,585 shares allocated to outstanding Options granted under the Prior Plans and being assumed by this Plan (the "Assumed Option Shares"), and (ii) 450,000 shares of Common Stock reserved for future grants under this Plan. Shares of Common Stock underlying Awards issued under Articles VII, VIII and IX of this Plan shall be charged as 2.0 shares against the number of shares of Common Stock available for the grant of Awards hereunder. The foregoing share limits shall be subject to adjustment in accordance with Section 11.07. The shares to be

offered under the Plan shall be authorized and unissued Common Stock, or issued Common Stock that shall have been reacquired by the Company.

4.02 Shares Subject to Terminated Awards. The Assumed Option Shares shall only be available for issuance upon exercise of an Option granted under the Prior Plans and assumed by this Plan and none of the Assumed Option Shares shall be available for grants of new Options or other Awards under this Plan, even if the assumed Options are forfeited, canceled or otherwise terminated without issuance of any shares of Common Stock. Except as provided in the preceding sentence, Common Stock covered by any unexercised portions of terminated or forfeited Options (including canceled Options) granted under the Plan or any predecessor employee stock plan of the Company, Restricted Stock or Restricted Stock Units (whether granted under this Plan or any predecessor employee stock plan) that are forfeited or terminated for any reason prior to the date that the restrictions on such Awards would otherwise have lapsed, other stock-based Awards that are forfeited or terminated for any reason as provided under the Plan, and Common Stock subject to any Awards that are otherwise surrendered by the Participant may again be subject to new Awards under the Plan. Further, any Award settled in cash shall not be counted as shares of Common Stock for any purpose under the Plan.

## **ARTICLE V PARTICIPATION**

5.01 Eligible Participants. Participants in the Plan shall be such employees, directors and consultants of the Company and its Affiliates as the Committee, in its sole discretion, may designate from time to time. The Committee's designation of a Participant in any year shall not require the Committee to designate such person to receive Awards or grants in any other year. The designation of a Participant to receive Awards or grants under one portion of the Plan does not require the Committee to include such Participant under other portions of the Plan. The Committee shall consider such factors as it deems pertinent in selecting Participants and in determining the type and amount of their respective Awards. Subject to adjustment in accordance with Section 11.07, no Participant shall be granted Awards in any calendar year in respect of more than 450,000 shares of Common Stock (whether through grants of Options or Stock Appreciation Rights or other Awards of Common Stock or rights with respect thereto) or cash-based Awards for more than \$5,000,000; *provided*, the Committee may grant Awards to a Participant in excess of these annual limits if the Committee expressly determines that a particular Award shall not be designed to qualify as "performance-based compensation" as defined under Section 162(m) of the Code and the applicable treasury regulations thereunder.

## **ARTICLE VI STOCK OPTIONS AND STOCK APPRECIATION RIGHTS**

### 6.01 Option Awards.

(a) Grant of Options. The Committee may grant, to such Participants as the Committee may select, Options entitling the Participant to purchase shares of Common Stock from the Company in such number, at such price, and on such terms and subject to such conditions, not inconsistent with the terms of this Plan, as may be established by the Committee. The terms of any Option granted under this Plan shall be set forth in an Award Agreement.

(b) Exercise Price of Options. The Exercise Price of each share of Common Stock upon exercise of any Option granted under the Plan shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant; *provided, however*, that the Committee shall have discretion, with respect to a Non-Qualified Stock Option, to establish an Exercise Price at less than the Fair Market Value on the Date of Grant to the extent that such Option is designed to comply with the requirements of Section 409A of the Code.

(c) Designation of Options. The Committee shall designate, at the time of the grant of each Option, the Option as an Incentive Stock Option or a Non-Qualified Stock Option; *provided, however,* that an Option may be designated as an Incentive Stock Option only if the applicable Participant is an employee of the Company on the Date of Grant.

(d) Special Incentive Stock Option Rules. To the extent that the aggregate Fair Market Value (determined as of the time the Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and its parent and subsidiary corporations) exceeds \$100,000, such Incentive Stock Options shall constitute Non-Qualified Stock Options. For purposes of this Section 6.01(d), Incentive Stock Options shall be taken into account in the order in which they were granted. If pursuant to the above, an Incentive Stock Option is treated as an Incentive Stock Option in part and a Non-Qualified Stock Option in part, the Participant may designate at the time of exercise which portion shall be deemed to be exercised, and in the absence of such express designation in writing, the portion of the Option treated as an Incentive Stock Option shall be deemed to be exercised first. Notwithstanding any other provision of the Plan to the contrary, the Exercise Price of each Incentive Stock Option shall be equal to or greater than the Fair Market Value of the Common Stock subject to the Incentive Stock Option as of the Date of Grant of the Incentive Stock Option; *provided, however,* that no Incentive Stock Option shall be granted to any person who, at the time the Option is granted, owns stock (including stock owned by application of the constructive ownership rules in Section 424(d) of the Code) possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, unless at the time the Incentive Stock Option is granted the Exercise Price of the Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock subject to the Incentive Stock Option and the Incentive Stock Option, by its terms, is not exercisable for more than five years from the Date of Grant.

(e) Rights As a Stockholder. A Participant or a transferee of an Option pursuant to Section 11.04 shall have no rights as a stockholder with respect to Common Stock covered by an Option until the Participant or transferee shall have become the holder of record of any such shares, and no adjustment shall be made for dividends in cash or other property or distributions or other rights with respect to any such Common Stock for which the record date is prior to the date on which the Participant or a transferee of the Option shall have become the holder of record of any such shares covered by the Option; *provided, however,* that Participants are entitled to share adjustments to reflect capital changes under Section 11.07.

#### 6.02 Stock Appreciation Rights.

(a) Stock Appreciation Right Awards. The Committee is authorized to grant to any Participant one or more Stock Appreciation Rights. Upon exercise of a Stock Appreciation Right with respect to a share of Common Stock, the Participant shall be entitled to receive an amount equal to the excess, if any, of (i) the Fair Market Value of a share of Common Stock on the date of exercise over (ii) the Exercise Price of such Stock Appreciation Right established in the Award Agreement, which amount shall be payable as provided in Section 6.02(c).

(b) Exercise Price. The Exercise Price of each share of Common Stock upon exercise of any Stock Appreciation Right granted under the Plan shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant; *provided, however,* that the Committee shall have discretion to establish an Exercise Price at less than the Fair Market Value on the Date of Grant to the extent that such Stock Appreciation Right is designed to comply with the requirements of Section 409A of the Code.

(c) Payment of Incremental Value. Any payment which may become due from the Company by reason of a Participant's exercise of a Stock Appreciation Right may be paid to the Participant as

determined by the Committee (i) all in cash, (ii) all in Common Stock, or (iii) in any combination of cash and Common Stock. In the event that all or a portion of the payment is made in Common Stock, the number of shares of Common Stock delivered in satisfaction of such payment shall be determined by dividing the amount of such payment or portion thereof by the Fair Market Value on the date of exercise. No fractional share of Common Stock shall be issued to make any payment in respect of Stock Appreciation Rights; if any fractional share would be issuable, the combination of cash and Common Stock payable to the Participant shall be adjusted as directed by the Committee to avoid the issuance of any fractional share.

#### 6.03 Terms of Stock Options and Stock Appreciation Rights.

(a) Conditions on Exercise. An Award Agreement with respect to Options or Stock Appreciation Rights may contain such waiting periods, exercise dates and restrictions on exercise (including, but not limited to, periodic installments) as may be determined by the Committee at the time of grant.

(b) Duration of Options and Stock Appreciation Rights. Options and Stock Appreciation Rights shall terminate upon the first to occur of the following events:

(i) Expiration of the Option or Stock Appreciation Right, as provided in the Award Agreement; or

(ii) Termination of the Award in the event of a Participant's disability, retirement, death or other Termination of Service, as provided in the Award Agreement; or

(iii) Ten years from the Date of Grant (five years in certain cases, as described in Section 6.01(d)).

(c) Acceleration or Extension of Exercise Period. The Committee, in its sole discretion, shall have the right (but shall not be obligated), exercisable on or at any time after the Date of Grant, to permit the exercise of an Option or Stock Appreciation Right (i) prior to the time such Option or Stock Appreciation Right would become exercisable under the terms of the Award Agreement, or (ii) after the termination of the Option or Stock Appreciation Right under the terms of the Award Agreement.

(d) Exercise of Options or Stock Appreciation Rights Upon Termination of Services. Unless an Award Agreement provides otherwise, the following rules shall govern the treatment of an Award of Options or Stock Appreciation Rights upon a Participant's Termination of Services:

(i) Termination of Vested Options or Stock Appreciation Rights Upon Termination of Services.

(A) Termination Other Than Due to Death or Disability. In the event of a Participant's Termination of Services for any reason other than due to the Participant's death or Disability, the right of the Participant to exercise any vested Options or Stock Appreciation Rights shall, unless the exercise period is extended by the Board in accordance with Section 6.03(c) above, terminate upon the earlier of: (I) thirty (30) days after the date of the Termination of Services; and (II) the date of expiration of the Options or Stock Appreciation Rights determined pursuant to Sections 6.03(b)(i) or (iii) above.

(B) Death or Disability. In the event of a Participant's Termination of Services by reason of death or Disability, the right of the Participant to exercise any vested Options or Stock Appreciation Rights shall, unless the exercise period is extended by the Board in accordance with Section 6.03(c) above, terminate upon the earlier of: (I) six (6) months after the date of the Termination of Services; and (II) the date of expiration of the Options or Stock Appreciation Rights determined pursuant to Sections 6.03(b)(i) or (iii) above.

(ii) Termination of Unvested Options Upon Termination of Services. To the extent the right to exercise Options or Stock Appreciation Rights, or any portion thereof, has not vested as of the date of Termination of Services, the right shall expire on the date of Termination of Services regardless of the reason for the Termination of Services.

6.04 Exercise Procedures. Each Option and Stock Appreciation Right granted under the Plan shall be exercised under such procedures and by such methods as the Committee may establish or approve from time to time. The Exercise Price of shares purchased upon exercise of an Option granted under the Plan shall be paid in full in cash by the Participant pursuant to the Award Agreement; *provided, however,* that the Committee may (but shall not be required to) permit payment to be made (a) by delivery to the Company of shares of Common Stock held by the Participant, (b) by a “net exercise” method under which the Company reduces the number of shares of Common Stock issued upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate Exercise Price, or (c) such other consideration as the Committee deems appropriate and in compliance with applicable law (including payment under an arrangement constituting a brokerage transaction as permitted under the provisions of Regulation T applicable to cashless exercises promulgated by the Federal Reserve Board, unless prohibited by Section 402 of the Sarbanes-Oxley Act of 2002). In the event that any Common Stock shall be transferred to the Company to satisfy all or any part of the Exercise Price, the part of the Exercise Price deemed to have been satisfied by such transfer of Common Stock shall be equal to the product derived by multiplying the Fair Market Value as of the date of exercise times the number of shares of Common Stock transferred to the Company. The Participant may not transfer to the Company in satisfaction of the Exercise Price any fractional share of Common Stock. Any part of the Exercise Price paid in cash upon the exercise of any Option shall be added to the general funds of the Company and may be used for any proper corporate purpose. Unless the Committee shall otherwise determine, any Common Stock transferred to the Company as payment of all or part of the Exercise Price upon the exercise of any Option shall be held as treasury shares.

6.05 Change in Control. With respect to each Award of Options or Stock Appreciation Rights, the Committee shall determine whether and to what extent such Options or Stock Appreciation Rights shall become immediately and fully exercisable in the event of a Change in Control or upon the occurrence of one or more specified conditions following a Change in Control. Notwithstanding the foregoing, unless otherwise determined by the Committee, no Change in Control of the Company shall be deemed to have occurred for purposes of determining a Participant’s rights under this Plan if (a) the Participant is a member of a group that first announces a proposal which, if successful, would result in a Change in Control, which proposal (including any modifications thereof) is ultimately successful, or (b) the Participant acquires a two percent (2%) or more equity interest in the entity that ultimately acquires the Company pursuant to the transaction described in clause (a) of this Section 6.05.

6.06 Early Exercise. An Option may, but need not, include a provision by which the Participant may elect to exercise the Option in whole or in part prior to the date the Option is fully vested. The provision may be included in the Award Agreement at the time of grant of the Option or may be added to the Award Agreement by amendment at a later time. In the event of an early exercise of an Option, any shares of Common Stock received shall be subject to a special repurchase right in favor of the Company with terms established by the Committee. The Committee shall determine the time and/or the event that causes the repurchase right to terminate and fully vest the Common Stock in the Participant.

**ARTICLE VII**  
**RESTRICTED SHARES AND RESTRICTED STOCK UNITS**

7.01 Award of Restricted Stock and Restricted Stock Units. The Committee may grant to any Participant an Award of Restricted Shares consisting of a specified number of shares of Common Stock issued to the Participant subject to such terms, conditions and forfeiture and transfer restrictions, whether based on performance standards, periods of service, retention by the Participant of ownership of specified shares of Common Stock or other criteria, as the Committee shall establish. The Committee may also grant Restricted Stock Units representing the right to receive shares of Common Stock in the future subject to such terms, conditions and restrictions, whether based on performance standards, periods of service, retention by the Participant of ownership of specified shares of Common Stock or other criteria, as the Committee shall establish. With respect to performance-based Awards of Restricted Shares or Restricted Stock Units intended to qualify as “performance-based” compensation for purposes of Section 162(m) of the Code, performance targets will consist of specified levels of one or more of the Performance Goals. The terms of any Restricted Share and Restricted Stock Unit Awards granted under this Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee and not inconsistent with this Plan.

7.02 Restricted Shares.

(a) Issuance of Restricted Shares. As soon as practicable after the Date of Grant of a Restricted Share Award by the Committee, the Company shall cause to be transferred on the books of the Company, or its agent, Common Stock, registered on behalf of the Participant, evidencing the Restricted Shares covered by the Award, but subject to forfeiture to the Company as of the Date of Grant if an Award Agreement with respect to the Restricted Shares covered by the Award is not duly executed by the Participant and timely returned to the Company. All Common Stock covered by Awards under this Article VII shall be subject to the restrictions, terms and conditions contained in the Plan and the Award Agreement entered into by the Participant. Until the lapse or release of all restrictions applicable to an Award of Restricted Shares, the share certificates representing such Restricted Shares may be held in custody by the Company, its designee, or, if the certificates bear a restrictive legend, by the Participant. Upon the lapse or release of all restrictions with respect to an Award as described in Section 7.02(d), one or more share certificates, registered in the name of the Participant, for an appropriate number of shares as provided in Section 7.02(d), free of any restrictions set forth in the Plan and the Award Agreement shall be delivered to the Participant.

(b) Stockholder Rights. Beginning on the Date of Grant of the Restricted Share Award and subject to execution of the Award Agreement as provided in Section 7.02(a), the Participant shall become a stockholder of the Company with respect to all shares subject to the Award Agreement and shall have all of the rights of a stockholder, including, but not limited to, the right to vote such shares and the right to receive dividends; *provided, however,* that the Award Agreement may provide that any dividend distributed with respect to any Restricted Shares as to which the restrictions have not yet lapsed shall be subject to the same restrictions as such Restricted Shares and held or restricted as provided in Section 7.02(a).

(c) Restriction on Transferability. None of the Restricted Shares may be assigned or transferred (other than by will or the laws of descent and distribution, or to an inter vivos trust with respect to which the Participant is treated as the owner under Sections 671 through 677 of the Code, except to the extent that Section 16 of the Exchange Act limits a Participant’s right to make such transfers), pledged or sold prior to lapse of the restrictions applicable thereto.

(d) Delivery of Shares Upon Vesting. Upon expiration or earlier termination of the forfeiture period without a forfeiture and the satisfaction of or release from any other conditions prescribed by the Committee, or at such earlier time as provided under the provisions of Section 7.04, the

restrictions applicable to the Restricted Shares shall lapse. As promptly as administratively feasible thereafter, subject to the requirements of Section 11.05, the Company shall deliver to the Participant or, in case of the Participant's death, to the Participant's Beneficiary, one or more share certificates for the appropriate number of shares of Common Stock, free of all such restrictions, except for any restrictions that may be imposed by law.

(e) Forfeiture of Restricted Shares. Subject to Sections 7.02(f) and 7.04, all Restricted Shares shall be forfeited and returned to the Company and all rights of the Participant with respect to such Restricted Shares shall terminate unless the Participant continues in the service of the Company or an Affiliate as an employee until the expiration of the forfeiture period for such Restricted Shares and satisfies any and all other conditions set forth in the Award Agreement. The Committee shall determine the forfeiture period (which may, but need not, lapse in installments) and any other terms and conditions applicable with respect to any Restricted Share Award.

(f) Waiver of Forfeiture Period. Notwithstanding anything contained in this Article VII to the contrary, the Committee may, in its sole discretion, waive the forfeiture period and any other conditions set forth in any Award Agreement under appropriate circumstances (including the death, disability or retirement of the Participant or a material change in circumstances arising after the date of an Award) and subject to such terms and conditions (including forfeiture of a proportionate number of the Restricted Shares) as the Committee shall deem appropriate.

### 7.03 Restricted Stock Units.

(a) Settlement of Restricted Stock Units. Payments shall be made to Participants with respect to their Restricted Stock Units as soon as practicable after the Committee has determined that the terms and conditions applicable to such Award have been satisfied or at a later date if distribution has been deferred. Payments to Participants with respect to Restricted Stock Units shall be made in the form of Common Stock, or cash or a combination of both, as the Committee may determine. The amount of any cash to be paid in lieu of Common Stock shall be determined on the basis of the Fair Market Value of the Common Stock on the date any such payment is processed. As to shares of Common Stock which constitute all or any part of such payment, the Committee may impose such restrictions concerning their transferability and/or their forfeiture as may be provided in the applicable Award Agreement or as the Committee may otherwise determine, provided such determination is made on or before the date certificates for such shares are first delivered to the applicable Participant.

(b) Shareholder Rights. Until the lapse or release of all restrictions applicable to an Award of Restricted Stock Units, no shares of Common Stock shall be issued in respect of such Awards and no Participant shall have any rights as a shareholder of the Company with respect to the shares of Common Stock covered by such Award of Restricted Stock Units.

(c) Waiver of Forfeiture Period. Notwithstanding anything contained in this Section 7.03 to the contrary, the Committee may, in its sole discretion, waive the forfeiture period and any other conditions set forth in any Award Agreement under appropriate circumstances (including the death, Disability or retirement of the Participant or a material change in circumstances arising after the date of an Award) and subject to such terms and conditions (including forfeiture of a proportionate number of shares issuable upon settlement of the Restricted Stock Units constituting an Award) as the Committee shall deem appropriate.

(d) Deferral of Payment. If approved by the Committee and set forth in the applicable Award Agreement, a Participant may elect to defer the amount payable with respect to the Participant's Restricted Stock Units in accordance with such terms as may be established by the Committee, subject to the requirements of Section 409A of the Code.

7.04 Change in Control. With respect to each Award of Restricted Stock or Restricted Stock Units, the Committee shall determine whether and to what extent such Restricted Stock or Restricted Stock Units shall become immediately and fully exercisable in the event of a Change in Control or upon the occurrence of one or more specified conditions following a Change in Control. Notwithstanding the foregoing, unless otherwise determined by the Committee, no Change in Control of the Company shall be deemed to have occurred for purposes of determining a Participant's rights under this Plan if (a) the Participant is a member of a group that first announces a proposal which, if successful, would result in a Change in Control, which proposal (including any modifications thereof) is ultimately successful, or (b) the Participant acquires a two percent (2%) or more equity interest in the entity that ultimately acquires the Company pursuant to the transaction described in clause (a) of this Section 7.04.

## **ARTICLE VIII**

### **PERFORMANCE AWARDS**

#### 8.01 Performance Awards.

(a) Award Periods and Calculations of Potential Incentive Amounts. The Committee may grant Performance Awards to Participants. A Performance Award shall consist of the right to receive a payment (measured by the Fair Market Value of a specified number of shares of Common Stock, increases in such Fair Market Value during the Award Period and/or a fixed cash amount) contingent upon the extent to which certain predetermined performance targets have been met during an Award Period. The Award Period shall be one or more fiscal or calendar years as determined by the Committee. The Committee, in its discretion and under such terms as it deems appropriate, may permit newly eligible Participants, such as those who are promoted or newly hired, to receive Performance Awards after an Award Period has commenced.

(b) Performance Targets. Subject to Section 11.18, the performance targets applicable to a Performance Award may include such goals related to the performance of the Company or, where relevant, any one or more of its Affiliates or divisions and/or the performance of a Participant as may be established by the Committee in its discretion. In the case of Performance Awards to "covered employees" (as defined in Section 162(m) of the Code), the targets will be limited to specified levels of one or more of the Performance Goals. The performance targets established by the Committee may vary for different Award Periods and need not be the same for each Participant receiving a Performance Award in an Award Period.

(c) Earning Performance Awards. The Committee, at or as soon as practicable after the Date of Grant, shall prescribe a formula to determine the percentage of the Performance Award to be earned based upon the degree of attainment of the applicable performance targets.

(d) Payment of Earned Performance Awards. Subject to the requirements of Section 11.05, payments of earned Performance Awards shall be made in cash or Common Stock, or a combination of cash and Common Stock, in the discretion of the Committee. The Committee, in its sole discretion, may define, and set forth in the applicable Award Agreement, such terms and conditions with respect to the payment of earned Performance Awards as it may deem desirable.

8.02 Termination of Service or Change in Control. The Award Agreement with respect to any Performance Award shall contain provisions dealing with the disposition of such Award in the event of a Change in Control or in the event of a Termination of Services prior to the exercise, realization or payment of such Award, with such provisions to take account of the specific nature and purpose of the Award.

**ARTICLE IX**  
**OTHER STOCK-BASED AWARDS**

9.01 Grant of Other Stock-Based Awards. Other stock-based awards, consisting of stock purchase rights (with or without loans to Participants by the Company containing such terms as the Committee shall determine), Awards of Common Stock, or Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, may be granted either alone or in addition to or in conjunction with other Awards under the Plan. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the persons to whom and the time or times at which such Awards shall be made, the number of shares of Common Stock to be granted pursuant to such Awards, and all other conditions of the Awards. Any such Award shall be confirmed by an Award Agreement executed by the Committee and the Participant, which Award Agreement shall contain such provisions as the Committee determines to be necessary or appropriate to carry out the intent of this Plan with respect to such Award.

9.02 Terms of Other Stock-Based Awards. In addition to the terms and conditions specified in the Award Agreement, Awards made pursuant to this Article IX shall be subject to the following:

(a) Any Common Stock subject to Awards made under this Article IX may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses; and

(b) If specified by the Committee in the Award Agreement, the recipient of an Award under this Article IX shall be entitled to receive, currently or on a deferred basis, interest or dividends or dividend equivalents with respect to the Common Stock or other securities covered by the Award; and

(c) The Award Agreement with respect to any Award shall contain provisions dealing with the disposition of such Award in the event of a Termination of Service prior to the exercise, payment or other settlement of such Award, whether such termination occurs because of retirement, disability, death or other reason, with such provisions to take account of the specific nature and purpose of the Award.

**ARTICLE X**  
**SHORT-TERM CASH INCENTIVE AWARDS**

10.01 Eligibility. Executive officers of the Company who are from time to time determined by the Committee to be “covered employees” for purposes of Section 162(m) of the Code will be eligible to receive short-term cash incentive awards under this Article X.

10.02 Awards.

(a) Performance Targets. The Committee shall establish objective performance targets based on specified levels of one or more of the Performance Goals. Such performance targets shall be established by the Committee on a timely basis to ensure that the targets are considered “preestablished” for purposes of Section 162(m) of the Code.

(b) Amounts of Awards. In conjunction with the establishment of performance targets for a fiscal year or such other short-term performance period established by the Committee, the Committee shall adopt an objective formula (on the basis of percentages of Participants’ salaries, shares in a bonus pool or otherwise) for computing the respective amounts payable under the Plan to Participants if and to the extent that the performance targets are attained. Such formula shall comply with the requirements applicable to performance-based compensation plans under

Section 162(m) of the Code and, to the extent based on percentages of a bonus pool, such percentages shall not exceed 100% in the aggregate.

(c) Payment of Awards. Awards will be payable to Participants in cash each year upon prior written certification by the Committee of attainment of the specified performance targets for the preceding fiscal year or other applicable performance period.

(d) Negative Discretion. Notwithstanding the attainment by the Company of the specified performance targets, the Committee shall have the discretion, which need not be exercised uniformly among the Participants, to reduce or eliminate the award that would be otherwise paid.

(e) Guidelines. The Committee may adopt from time to time written policies for its implementation of this Article X. Such guidelines shall reflect the intention of the Company that all payments hereunder qualify as performance-based compensation under Section 162(m) of the Code.

(f) Non-Exclusive Arrangement. The adoption and operation of this Article X shall not preclude the Board or the Committee from approving other short-term incentive compensation arrangements for the benefit of individuals who are Participants hereunder as the Board or Committee, as the case may be, deems appropriate and in the best interests of the Company.

## ARTICLE XI

### TERMS APPLICABLE GENERALLY TO AWARDS GRANTED UNDER THE PLAN

11.01 Plan Provisions Control Award Terms. Except as provided in Section 11.16, the terms of the Plan shall govern all Awards granted under the Plan, and in no event shall the Committee have the power to grant any Award under the Plan which is contrary to any of the provisions of the Plan. In the event any provision of any Award granted under the Plan shall conflict with any term in the Plan as constituted on the Date of Grant of such Award, the term in the Plan as constituted on the Date of Grant of such Award shall control. Except as provided in Section 11.03 and Section 11.07, the terms of any Award granted under the Plan may not be changed after the Date of Grant of such Award so as to materially decrease the value of the Award without the express written approval of the holder.

11.02 Award Agreement. No person shall have any rights under any Award granted under the Plan unless and until the Company and the Participant to whom such Award shall have been granted shall have executed and delivered an Award Agreement or received any other Award acknowledgment authorized by the Committee expressly granting the Award to such person and containing provisions setting forth the terms of the Award.

11.03 Modification of Award After Grant. No Award granted under the Plan to a Participant may be modified (unless such modification does not materially decrease the value of the Award) after the Date of Grant except by express written agreement between the Company and the Participant, provided that any such change (a) shall not be inconsistent with the terms of the Plan, and (b) shall be approved by the Committee.

11.04 Limitation on Transfer. Except as provided in Section 7.02(c) in the case of Restricted Shares, a Participant's rights and interest under the Plan may not be assigned or transferred other than by will or the laws of descent and distribution, and during the lifetime of a Participant, only the Participant personally (or the Participant's personal representative) may exercise rights under the Plan. The Participant's Beneficiary may exercise the Participant's rights to the extent they are exercisable under the Plan following the death of the Participant. Notwithstanding the foregoing, to the extent permitted under Section 16(b) of the Exchange Act with respect to Participants subject to such Section, the Committee may grant Non-Qualified Stock Options that are transferable, without payment of

consideration, to immediate family members of the Participant or to trusts or partnerships for such family members, and the Committee may also amend outstanding Non-Qualified Stock Options to provide for such transferability.

11.05 Taxes. The Company shall be entitled, if the Committee deems it necessary or desirable, to withhold (or secure payment from the Participant in lieu of withholding) the amount of any withholding or other tax required by law to be withheld or paid by the Company with respect to any amount payable and/or shares issuable under such Participant's Award, and the Company may defer payment or issuance of the cash or shares upon exercise or vesting of an Award unless indemnified to its satisfaction against any liability for any such tax. The amount of such withholding or tax payment shall be determined by the Committee and shall be payable by the Participant at such time as the Committee determines in accordance with the following rules:

(a) The Participant shall have the right to elect to meet his or her withholding requirement (i) by having withheld from such Award at the appropriate time that number of shares of Common Stock, rounded down to the nearest whole share, whose Fair Market Value is equal to the amount of withholding taxes due, (ii) by direct payment to the Company in cash of the amount of any taxes required to be withheld with respect to such Award or (iii) by a combination of shares and cash.

(b) In the case of Participants who are subject to Section 16 of the Exchange Act, the Committee may impose such limitations and restrictions as it deems necessary or appropriate with respect to the delivery or withholding of shares of Common Stock to meet tax withholding obligations.

11.06 Surrender of Awards. Any Award granted under the Plan may be surrendered to the Company for cancellation on such terms as the Committee and the holder approve. With the consent of the Participant, the Committee may substitute a new Award under this Plan in connection with the surrender by the Participant of an equity compensation award previously granted under this Plan or any other plan sponsored by the Company.

11.07 Adjustments to Reflect Capital Changes.

(a) Recapitalization. In the event of any corporate event or transaction (including, but not limited to, a change in the Common Stock or the capitalization of the Company) such as a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock dividend, stock split, reverse stock split, spin-off, or other distribution of stock or property of the Company, a combination or exchange of Common Stock, dividend in kind, or other like change in capital structure, number of outstanding shares of Common Stock, distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Committee, in order to prevent dilution or enlargement of Participants' rights under this Plan, shall make equitable and appropriate adjustments and substitutions, as applicable, to or of the number and kind of shares subject to outstanding Awards, the Exercise Price for such shares, the number and kind of shares available for future issuance under the Plan and the maximum number of shares in respect of which Awards can be made to any Participant in any calendar year, and other determinations applicable to outstanding Awards. The Committee shall have the power and sole discretion to determine the amount of the adjustment to be made in each case.

(b) Merger. In the event that the Company is a party to a Merger, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the continuation of outstanding Awards by the Company (if the Company is a surviving corporation), for their assumption by the surviving corporation or its parent or subsidiary, for the substitution by the surviving corporation or its parent or subsidiary of its own awards for such Awards, for accelerated vesting and accelerated expiration, or for settlement in cash or cash equivalents.

(c) Options to Purchase Shares or Stock of Acquired Companies. After any Merger in which the Company or an Affiliate shall be a surviving corporation, the Committee may grant substituted options under the provisions of the Plan, pursuant to Section 424 of the Code, replacing old options granted under a plan of another party to the Merger whose shares or stock subject to the old options may no longer be issued following the Merger. The foregoing adjustments and manner of application of the foregoing provisions shall be determined by the Committee in its sole discretion. Any such adjustments may provide for the elimination of any fractional shares which might otherwise become subject to any Options.

11.08 No Right to Continued Service. No person shall have any claim of right to be granted an Award under this Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the service of the Company or any of its Affiliates.

11.09 Awards Not Includable for Benefit Purposes. Payments received by a Participant pursuant to the provisions of the Plan shall not be included in the determination of benefits under any pension, group insurance or other benefit plan applicable to the Participant which is maintained by the Company or any of its Affiliates, except as may be provided under the terms of such plans or determined by the Committee.

11.10 Governing Law. All determinations made and actions taken pursuant to the Plan shall be governed by the laws of the State of California and construed in accordance therewith.

11.11 No Strict Construction. No rule of strict construction shall be implied against the Company, the Committee, or any other person in the interpretation of any of the terms of the Plan, any Award granted under the Plan or any rule or procedure established by the Committee.

11.12 Compliance with Rule 16b-3. It is intended that, unless the Committee determines otherwise, Awards under the Plan be eligible for exemption under Rule 16b-3. The Board is authorized to amend the Plan and to make any such modifications to Award Agreements to comply with Rule 16b-3, as it may be amended from time to time, and to make any other such amendments or modifications as it deems necessary or appropriate to better accomplish the purposes of the Plan in light of any amendments made to Rule 16b-3.

11.13 Captions. The captions (i.e., all Section headings) used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit, characterize or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions have been used in the Plan.

11.14 Severability. Whenever possible, each provision in the Plan and every Award at any time granted under the Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of the Plan or any Award at any time granted under the Plan shall be held to be prohibited by or invalid under applicable law, then (a) such provision shall be deemed amended to accomplish the objectives of the provision as originally written to the fullest extent permitted by law and (b) all other provisions of the Plan and every other Award at any time granted under the Plan shall remain in full force and effect.

11.15 Amendment and Termination.

(a) Amendment. The Board shall have complete power and authority to amend the Plan at any time; provided, however, that the Board shall not, without the requisite affirmative approval of stockholders of the Company, make any amendment which requires stockholder approval under the Code or under any other applicable law or rule of any stock exchange or listing service which lists Common Stock or Company Voting Securities. No termination or amendment of the Plan may, without the consent of the Participant to whom any Award shall theretofore have been granted under the Plan, adversely affect the right of such individual under such Award.

(b) Termination. The Board shall have the right and the power to terminate the Plan at any time. No Award shall be granted under the Plan after the termination of the Plan, but the termination of the Plan shall not have any other effect on any Award outstanding at the time of the termination of the Plan and any such outstanding Award will continue in accordance with its terms and conditions.

11.16 Foreign Qualified Awards. Awards under the Plan may be granted to such employees, directors and consultants of the Company and its Affiliates who are residing in foreign jurisdictions as the Committee in its sole discretion may determine from time to time. The Committee may adopt such supplements to the Plan as may be necessary or appropriate to comply with the applicable laws of such foreign jurisdictions and to afford Participants favorable treatment under such laws.

11.17 Dividend Equivalents. For any Award granted under the Plan, the Committee shall have the discretion, upon the Date of Grant or thereafter, to establish a Dividend Equivalent Account with respect to the Award, and the applicable Award Agreement or an amendment thereto shall confirm such establishment. If a Dividend Equivalent Account is established, the following terms shall apply:

(a) Terms and Conditions. Dividend Equivalent Accounts shall be subject to such terms and conditions as the Committee shall determine and as shall be set forth in the applicable Award Agreement. Such terms and conditions may include, without limitation, for the Participant's Account to be credited as of the record date of each cash dividend on the Common Stock with an amount equal to the cash dividends which would be paid with respect to the number of shares of Common Stock then covered by the related Award if such shares of Common Stock had been owned of record by the Participant on such record date.

(b) Unfunded Obligation. Dividend Equivalent Accounts shall be established and maintained only on the books and records of the Company and no assets or funds of the Company shall be set aside, placed in trust, removed from the claims of the Company's general creditors, or otherwise made available until such amounts are actually payable as provided hereunder.

11.18 Adjustment of Performance Goals and Targets. Notwithstanding any provision of the Plan to the contrary, the Committee shall have the authority to adjust any Performance Goal, performance target or other performance-based criteria established with respect to any Award under the Plan if circumstances occur (including, but not limited to, unusual or nonrecurring events, changes in tax laws or accounting principles or practices or changed business or economic conditions) that cause any such Performance Goal, performance target or performance-based criteria to be inappropriate in the judgment of the Committee; provided, that with respect to any Award that is intended to qualify for the "performance-based compensation" exception under Section 162(m) of the Code and the regulations thereunder, any adjustment by the Committee shall be consistent with the requirements of Section 162(m) and the regulations thereunder.

11.19 Legality of Issuance. Notwithstanding any provision of this Plan or any applicable Award Agreement to the contrary, the Committee shall have the sole discretion to impose such conditions, restrictions and limitations (including suspending exercises of Options or Stock Appreciation Rights and the tolling of any applicable exercise period during such suspension) on the issuance of Common Stock with respect to any Award unless and until the Committee determines that such issuance complies with (a) any applicable registration requirements under the Securities Act of 1933 or the Committee has determined that an exemption therefrom is available, (b) any applicable listing requirement of any stock exchange on which the Common Stock is listed, (c) any applicable Company policy or administrative rules, and (d) any other applicable provision of state, federal or foreign law, including foreign securities laws where applicable.

11.20 Restrictions on Transfer. Regardless of whether the offering and sale of Common Stock under the Plan have been registered under the Securities Act of 1933 or have been registered or qualified under the securities laws of any state, the Company may impose restrictions upon the sale, pledge, or

other transfer of such Common Stock (including the placement of appropriate legends on stock certificates) if, in the judgment of the Company and its counsel, such restrictions are necessary or desirable to achieve compliance with the provisions of the Securities Act of 1933, the securities laws of any state, the United States or any other applicable foreign law.

11.21 Further Assurances. As a condition to receipt of any Award under the Plan, a Participant shall agree, upon demand of the Company, to do all acts and execute, deliver and perform all additional documents, instruments and agreements which may be reasonably required by the Company, to implement the provisions and purposes of the Plan.
